NOTICE OF PROPOSED RULEMAKING

Adopted: July 24, 2002

Released: August 2, 2002

Comment Date: September 23, 2002

Reply Comment Date: October 8, 2002

By the Assistant Chief, Audio Division:

1. The Audio Division has before it for consideration a petition for rule making filed by Dangerous Broadcasting, L.P., II ("DB") requesting the allotment of Channel 265A at Buttonwillow, California, as the community's first local FM broadcast service. DB has stated that it will file an application to operate an FM station at Buttonwillow if Channel 265A is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment would provide a first local service to the community of Buttonwillow, California. In support of the proposal, DB states that Buttonwillow is located in Kern County with a population of 1,226 people according to the 2000 U.S. Census. DB further states that Buttonwillow zip code is 93206 and it has a local elementary school, Buttonwillow Elementary, a local library, a local fire department, and a Chamber of Commerce. There is also local health-care providers and at least two churches. In addition, Buttonwillow has a number of businesses such as Tech Ag Financial Group, Buttonwillow Warehouse, Colly Houchin Trading Company, Buttonwillow Cotton Research, LLC, and Buttonwillow Ginning Company. A staff engineering analysis indicates that Channel 265A can be allotted to Buttonwillow, California, consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 2.5 kilometers (1.6 miles) west of the community to avoid a short-spacing to a license site of Station KGFM, Channel 268B, Bakerfield, California.¹

3. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Buttonwillow, California.
